WHO WE ARE!

As VSStÖ Kärnten/Koroška we have unconditionally stood by the side of students in Carinthia since 1980 and nationwide for 130 years. Especially in the current times – times that are characterized by multiple crises – students need a strong voice. We cannot continue to face insurmountable barriers to study, and thus categorically sort out the higher education sector. Whether at AAU or nationwide, we fight for you, because we are:

LOUD FOR ALL!
