

The background is a vibrant collage of festive elements. At the top, pink and red confetti falls. Below it, a large, glowing gold balloon is partially visible on the left. In the center, a large, textured pink sphere is surrounded by a spray of pink and red particles. To the right, a colorful feathered headdress with feathers in shades of purple, green, yellow, and blue is set against a black background with white polka dots. A red ribbon swirls across the bottom of the image.
